The National Elections Commission (NEC), through its Geo Information Service Section (GIS), is correctly conducting Desk Mapping, Boundary and Locality Validation Exercise throughout the country, ahead of the 2023 General Elections in Liberia.

The NEC is conducting the exercise in collaboration with other inter-governmental agencies including, the Ministry of Internal Affairs, (MIA), Liberia Land Authority (LLA), Liberia Institute for Statistics and Geo Information Services (LISGIS), as well as local government authorities.

Here now is a pictorial of the NEC-GIS and partners works:
