

The ongoing workshop organized by the Gender Section of the National Elections Commission (NEC), to review existing Legal and Policy Provisions within Political Parties' internal structures and the VAWIE Protocol has produced insightful and interact discussions so far. The opening on Monday, 6 March 2023, witnessed the presence a number of Executives of Poltical Parties, members of the Board of Commissioners of NEC, Senior Technicians of the Commission and internaltional partners. The governments of Sweden and Irland and the United Nations Development Program, UNDP are providing the funds for the training under the framework of the Inter Pparty Consultative Committee IPCC. Here now are photo scenes from the opening at a local center in Monrovia. It ends of Friday, 10 March 2023.
